

## **WFC Uniform Policy 2018-2019**

### **New Adidas kits effective for the new season**

#### **Jersey Numbers:**

It is Club Policy that all players in an age group have different numbers. For example, if there are 36 players in an age group and 4 teams (Black/White/Gold /Blue), no Black, White, Gold or Blue player will have the same number. In the event of player movement in any direction, the Black player will always be given first choice. In all cases, current membership will always take priority over new incoming players. If existing players have the same number, priority will go to the player who has been in the club the longest.

In the event that there is a situation not covered in this Policy, those scenarios will be dealt with on a case by case basis. The final decision will be made by the Technical staff.

In the event that there are new incoming players requesting the same number, the Head Coach will make the final decision. This may result in neither player getting the number they requested.

In the event of a number becoming available (e.g. Player moves out of town), the number will be available in the following order:

1. Existing WFC members will be given first choice as per the Policy (Black first, White second, etc.)
2. Thereafter the number is available to new players, as per the Club's Policy and the Head Coach will have the final say in the event of a clash.

#### **Rationale:**

To avoid unnecessary time and effort on the part of the coaches and volunteers when players are provided with cross playing opportunities. As an example, White player is invited to guest with Black team at a tournament. With the implementation of this Policy, there is no extra work required on anybody's part. This policy is effective immediately.

### **Placing Tape on uniform jerseys is strictly prohibited**

If there are players with duplicate numbers on the same team, the protocol will be as follows:

Existing players on the team shall keep their number and the incoming player will have to change number. In this case, the Club will absorb the cost of the removal and replacement of uniform jersey numbers.

### **General Uniform Condition**

Neither the uniform jersey, shorts nor practice T-shirts may be altered, cut in any way. Altered uniforms or practice T-shirts will be decommissioned and the player shall be responsible for its replacement.

Players shall not enter the field for games or practices with altered uniforms or practice T-shirts.

### **Uniforms / Practice gear is Mandatory**

Players may not enter the fields without the Weston FC uniform or practice gear.

Weston FC Uniforms must be the current uniform. This may not be replaced in part or whole by previously decommissioned uniforms.

Practice gear shall consist of Weston FC Adidas Entrada practice jersey, black shorts (Adidas and/or generic only), black socks (Adidas or generic only).
