Meredith's complete honesty, warmth and the high degree of confidence she has in SOCCER.COM is contagious and this combination made us believers in her and in SOCCER.COM by extension. She has always strived to make sure our club was taken care of and we are grateful for that. We are also forever thankful for the many lessons we learned from her over the years and her suggestions on how SOCCER.COM could improve the processes we employ, the products that we specify, and the quality of our club in the eyes of the soccer community. Meredith has always gone the extra mile and we can legitimately say that she has exceeded our expectations. SOCCER.COM does a great job of finding and training their people but ultimately it is the actual people that make a company what it is and we speak on behalf of our entire club when we say that you guys are GREAT.
